STATEMENT OF INTEREST (please type)

Considering the curriculum and our desire to provide personal attention and instruction to each and every participant, it is important to keep our enrollment numbers manageable. We wish we were able to accept all students interested in learning about this very important subject, yet recognize our limitations. Please provide a thoughtful, honest response (approx. 1 page) to one of the following questions and submit it with your application.

- Why is the study of genocide and human rights so important?
- If you were asked to speak to the leaders of the world, how would you advise them to address human rights and social justice issues?
- What do you hope to do with the knowledge you might gain through participation in The Summer Institute for Human Rights & Genocide Studies?

T – SHIRTS

Summer Institute T-Shirts are included as a part of the registration fee, and will be made available to each participant at the conclusion of the Institute. Please circle your size below.
